Hackman's Country Inn is an 1857 farmhouse situated on 90 acres of farm land in the heart of Lancaster County. Shaded lawns and a large porch provide a peaceful retreat on a hot summer day. Breakfast by a walk-in fireplace.

The Inn features spacious, air-conditioned rooms with bubble glass windows and patchwork quilts. Private baths are available in some of the rooms.

A complimentary breakfast of homemade muffins, homemade jams, fresh fruit in season, coffee and juice is served in the large keeping room.

The Inn is located just 2 miles West of the Ephrata Cloisters and is close to Amish Country and shopping outlets. Shop the reknown antique malls just 8 miles north of Ephrata. The back, country roads provide an excellent place for bicycling.

For your dining pleasure we will be happy to recommend some of the finer restaurants in the area.
